

## Cape Fear Public Utility Authority

### Application for Authorization to Construct

#### Grit Trap or Oil/Water Separator

*(not applicable to food service, restaurants, or permitted industrial users)*

Prior to construction of a Grit Trap or Oil/Water Separator that will be connected to the CFPUA sewer system an Authorization to Construct (ATC) must be issued by Community Compliance. Traps and separators must comply with NC Plumbing Code. The application must include the following:

Corporation or Proprietor:	
Sewer Service Address:	
Mailing Address:	
City, State, & Zip	
Phone:	
Fax:	
Email address:	
Description of process wastewater and daily flow volume	
Consultant's Name & Co.:	
Mailing Address:	
City, State, & Zip	
Phone:	
Fax:	
Email address:	

**Attach:**

- Plan showing the size and location of the trap or separator and sampling station.
- Manufacturer, model, and manufacturer's specification for the trap or separator.
- Plan showing fixtures draining to the trap or separator.
- Justifications (including calculations) used to determine the trap or separator size.

Plans may be preliminary; however the application must be amended if plan revisions change the location or size of the trap or separator, or sampling station.

I certify that this application and the attachments are true, complete, and accurate to the best of my knowledge and belief.
