ARTICLE I - GENERAL PURPOSE AND SCOPE

Section 1. Purpose

With the adoption of this Employee Personnel Policies and Procedures Manual, CFPUA is making a good faith effort to comply with all applicable State and Federal laws and regulations. CFPUA recognizes that these policies are not a complete and exhaustive set of policies or procedures that govern employment within CFPUA. CFPUA recognizes that periodic updates and revisions of these personnel policies will be necessary. Changes in personnel policies adopted by CFPUA will be communicated promptly to all employees.

Section 6. Responsibilities of the Executive Director

North Carolina General Statutes 162A-6 authorizes the CFPUA, among other things, to employ such employees and agents as, in the judgment of CFPUA, may be deemed necessary. Article VI of the Cape Fear Public Utility Authority Bylaws directs CFPUA to employ and appoint Board Members. In accordance with these provisions of the Statutes

Last Revision Date: March 21, 2018

and the Bylaws, the Executive Director, or his designee, shall perform the duties necessary to provide for the administration and maintenance of a fair and equitable human resources system.

Section 7. Responsibilities of the Human Resources Director

In accordance with the provisions of North Carolina General Statutes 162A-6 and Article VI of the Cape Fear Public Utility Authority Bylaws, the Human Resources Director, as employed and directed by the Executive Director, is authorized to undertake all actions necessary to establish, implement, maintain, and, when necessary, revise all elements of a fair and equitable human resources system.

ARTICLE II - EMPLOYMENT

Section 1. Statement of Equal Employment Opportunity

It is the policy of CFPUA to provide equal employment opportunity for all employees and applicants seeking employment. All employment policies and practices will be nondiscriminatory in compliance with federal laws, state statutes, and local ordinances.

CFPUA ensures that all employment practices are administered without regard to race, religion, color, creed, national origin, sex, age, political affiliation, handicapping condition or any other protected category under local, state, or federal law. These employment practices include, but are not limited to recruitment, hiring, compensation, transfer, promotion, demotion, layoff, recall, benefits, training, discipline and termination. CFPUA's policy is to ensure that all employment decisions, including promotions, are based solely on individual qualifications and suitability for the job.

The Human Resources Director serves as the Equal Opportunity Officer and is responsible for carrying out the Equal Employment Opportunity policy. Employees can bring complaints, ask questions, and raise concerns under this policy without fear of reprisal. Charges or complaints of discrimination should be referred to the Human Resources Director. CFPUA will not tolerate retaliation, harassment, intimidation, threats, coercion or discrimination against anyone who files a complaint, exercises a right, opposes improper conduct or assists in an investigation.

Section 2. Reasonable Accommodations under the Americans with Disabilities Act (ADA)

CFPUA will not discriminate against a qualified individual because of a disability regarding job application procedures, hiring, promotion, compensation, job training, employee benefits, discharge of employees, and other terms or conditions of employment. A disability means having a physical or mental impairment that substantially limits one or more of the major life activities of such individuals, having a record of such impairment or being regarded as having such impairment.

Reasonable accommodations, which do not present an undue hardship to CFPUA, will be provided for upon request from an applicant/employee. CFPUA will provide reasonable accommodations, which do not present an undue hardship to CFPUA, for the continued employment of individuals who become disabled while employed by CFPUA, if the employee notifies the Human Resources Director in writing of their requirement for an accommodation as soon as possible, but not more than 180 days after the employee knew or should have known the accommodation was necessary. The Human Resources Director serves as the organization's ADA Coordinator.

Section 3. "At-Will" Employment

Employment with CFPUA is "at-will", which means that continued employment and the conditions of employment are solely at CFPUA's discretion, consistent with the terms of any applicable employment agreement. Either the employee or CFPUA may choose to terminate the employment relationship at any time and for any reason not prohibited by law.

Section 4. Recruitment

Recruitment practices are conducted solely based on ability, merit, qualifications and competence without regard to race, religion, color, creed, national origin, sex, age, political affiliation, disability or any other protected category under local, state, or federal law. All advertisements for employment will include an assurance that CFPUA is an equal opportunity employer and will comply with federal and state statutes regarding discrimination in employment matters.

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

When a position becomes vacant, and prior to the posting or advertisement of any position, the department director must prepare and submit a request to fill the position to the Human Resources Director. A position will not be posted or advertised if it has not been previously budgeted and authorized by CFPUA.

Section 5. Job Advertisements

Employment opportunities with CFPUA will be advertised publicly. Job postings will be posted on CFPUA's employee bulletin boards and on various websites from the date that the position is advertised, until the established closing date for accepting applications. Job postings will be advertised with the Division of Employment Security, and other local, state or national organizations, in local and professional publications and on websites as deemed appropriate by the Human Resources Director. In general, it is CFPUA's practice to post vacant positions for at least seven (7) business days.

Section 6. Application for Employment

All qualified persons expressing interest in a CFPUA position, including current employees, will be given the opportunity to apply for vacancies when a position is posted. Applicants for a position must complete and sign the official application form for each position they are applying for. Applicants may be required to submit certificates from educational and training institutions, proof of licensure, and other documentation requested by CFPUA which provides reasonable proof of any statement made on the application/resume. Any false statements within the application may be cause for rejection of the application/resume or disciplinary action up to and including dismissal.

Section 7. Minimum Qualification Standards

The posted minimum qualification standards for applicants seeking CFPUA employment and for current CFPUA employees seeking a promotion or transfer will be consistent with the established job class minimum qualification standards, including the specified education, experience, physical capabilities, and other knowledge, skills, and abilities defined for the job class as established by the department director in consultation with the Human Resources Director.

Section 8. Selection

CFPUA will select the best qualified person for each available position from among the applicants who have applied and meet the minimum qualifications, as established for the position. Evaluation of qualifications is based upon job-related criteria without regard to race, religion, color, creed, national origin, sex, age, political affiliation, disability or any other protected category under local, state, or federal law.

It is the responsibility of the Human Resources Director to manage the selection process to ensure compliance with state and federal laws and consistency with CFPUA's employment practices.

Selection procedures used to determine the qualifications of applicants for any position may include but are not limited to an evaluation of the employment application and other submitted materials; structured interviews; reference checks; driver's license checks; academic verifications; criminal background and credit checks; and controlled substance testing.

The Human Resource Director and the Executive Director, or his/her designee, will approve all written offers of employment prior to the making of the offer.

Section 9. Probationary Period of Employment

As an integral part of the selection process CFPUA requires all new employees to serve a probationary period. The probationary period affords the employee an opportunity to become acquainted with the new position and provides the supervisor with time to closely evaluate the employee's work/performance. CFPUA may transfer, demote or dismiss any employee with or without cause at any time during the probationary period. New employees serving a six-month probationary period are not subject to the procedural requirements of Article VII-Disciplinary Action, and have no appeal rights.

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

The employees' probationary periods may be extended up to an additional three (3) months, if additional time is needed to evaluate performance. The Executive Director reserves the right to waive or shorten the probationary period at his/her discretion.

Prior to the completion of the probationary period, the employee's supervisor and the department director must review the performance of the probationary employee and decide to retain, extend the probationary period, or dismiss the employee. A formal evaluation form will be utilized for this review.

Upon the successful completion of the probationary period, the employee is eligible to utilize vacation which was accrued during the probationary period.

Employees in existing positions who are promoted, transferred, or demoted will serve a three-month probationary period to allow the department to evaluate the employee's work. Any deficiencies in performance during this time should be addressed through discipline. The probationary period affects performance of the employee and does not affect the use of vacation use. The employee will be subject to the procedural requirements of Article VII-Disciplinary Action.

Section 10. Promotions and Transfers

Employees are encouraged to apply for vacant CFPUA positions for which they are qualified.

CFPUA has the right to make the final hiring decision based on qualifications, abilities, and experience. The Executive Director reserves the right to effect promotions or transfers without regard to the recruitment and job advertisement process, if it is determined by the Executive Director to be in the best interest of CFPUA.

This policy does not limit CFPUA's right to transfer employees to another position within the same job class based on the needs of CFPUA and the employee.

Section 11. Demotion

A demotion is a personnel action resulting in a change in employment to a lower grade and/or pay rate. Generally, a demotion is a result of disciplinary action.

Section 12. Interim Appointment

The Executive Director may designate a CFPUA employee to serve in an acting capacity when a department director or supervisory position is vacant due to a resignation or due to an approved leave of absence of more than four weeks, or as deemed appropriate. Employees serving in an acting capacity may receive additional pay during the interim appointment for their increased duties/responsibilities. The acting appointment will be until the position is filled, the leave of absence has been completed, the duties are reassigned, or another personnel action is taken which no longer requires an employee to serve in an acting capacity.

Section 13. Voluntary Reassignment

A reassignment is a change in employment resulting from assignment to a position in a lower or like pay grade. This change is the result of an agreement between the employee and the employer, or an employee applying for and being selected for a position at the same or a lower grade.

Section 14. Re-employment

Former employees that left in good-standing may apply and be considered for any CFPUA positions for which they are qualified. Rehired former employees will be credited with their previous accrued sick leave balance, experience time balance and hire date, provided they are rehired within one year of their most recent separation date from CFPUA and have not applied for or withdrawn retirement funds from the State of North Carolina retirement system. Rehired former employees will be subject to probationary employee status as detailed in Article II, Section 9 above, unless waived by the Executive Director.

ARTICLE III - EMPLOYEE RESPONSIBILITIES

Section 1. Work Schedules

The Executive Director or his/her designee is authorized to establish and adjust standard hours of operation and work schedules for CFPUA departments to meet services and operational needs.

Section 2. Modified Work Schedules

Authorization of temporary modified work schedules for individual employees is at the discretion of the department director if there is no interruption of departmental functions and efficient service is provided to the CFPUA customers. Once the modification is approved, it is the department director's responsibility to inform the Finance and Human Resources departments in writing of such changes.

Section 3. Breaks

To promote employee health and productivity, employees should take one fifteen (15) minute break for every four (4) hours worked. All breaks must be arranged to ensure there is no interruption with CFPUA business or continuous service to the public. Employees should take an unpaid meal-break of at least 30 minutes or longer. Meal-breaks must be scheduled with the approval of the employee's department director and/or supervisor and may vary depending on department workload.

Section 4. Gifts and Favors

All CFPUA employees are strictly prohibited from soliciting or receiving any gift, reward, promise of reward, or anything of value, directly or indirectly, in exchange, or consideration for, some action to be taken or not taken in the performance of the employee's duties or in exchange for recommending, influencing, or attempting to influence the awards or contracts. All CFPUA employees are strictly prohibited from disclosing confidential information concerning the property, government, or affairs of CFPUA or using such information to advance the financial or other private interest of themselves or others.

CFPUA employees are to serve all persons fairly and equitably without regard to personal or financial benefit. CFPUA employees are prohibited from accepting non-monetary or monetary gifts and if received, the employee should report the gift to the department director. Nominal gifts provided to a department or group of employees, such as food items, may be accepted and made available to all employees in the department or group.

Any CFPUA employee who violates this policy is subject to disciplinary action up to and including dismissal.

Section 5. Political Activity Restricted

CFPUA employees may only seek political office as authorized in this Section. CFPUA employees are not restricted from affiliating with organizations of political or partisan nature. CFPUA employees will provide service to customers on an equal basis without regard to political affiliation. While off-duty, CFPUA employees may attend political meetings, support and advocate political policies and positions, make financial contributions to a political organization and support candidates of their choice, in accordance with the U.S. Constitution and the laws of the State of North Carolina. CFPUA employees are prohibited from:

- Engaging in any political or partisan activity while on duty, or while wearing a CFPUA logo or other products that would affiliate the employee with CFPUA;
- Using official authority or influence to interfere with or affect the result of an election or nomination for office;
- Coerce, solicit or compel contributions for political or partisan purposes from another CFPUA employees;
- Using any CFPUA supplies or equipment for political or partisan purposes.

No employee can be required to contribute funds for political or partisan purposes as a duty or condition of employment, promotion, or tenure of office.

Under Federal law, the Hatch Act, all employees involved in programs that are financed in whole or in part by loans or grants made by the United States Government or a federal agency are prohibited from being a candidate for public office in a partisan election. Any CFPUA employee that is considering running for office in a partisan election should

Section 6. Outside or Secondary Employment

CFPUA work will take precedence over other occupational interests of employees. Outside or secondary employment that conflicts with the employee's availability or ability to perform their job for CFPUA; or, creates, or is perceived to create, a conflict of interest is prohibited. A conflict of interest exists when an employee engages directly or indirectly in any employment or business, that is incompatible with the proper discharge of his or her CFPUA job functions. A conflict of interest exists when an employee: a) has a financial interest as owner, member, partner, officer, employer, stockholder or other participant in a private business or professional enterprise that will be affected by the outcome of any matter under consideration before him or her in his or her capacity as a CFPUA employee; b) has such interest in any matter which may be adverse to the public interest and the proper performance of his or her functions as a CFPUA employee; c) has an interest in speculative or investment activities that will benefit from the use of confidential information obtained as a CFPUA employee; or, d) utilizes property, either real or personal, owned by CFPUA in any business venture or enterprise that results in private gain, monetary or otherwise to the employee.

All outside or secondary employment for salaries, wages, or other compensation and all self-employment must be reported in writing to and approved by the employee's department director, the Human Resources Director, and the Executive Director.

The Executive Director shall be responsible for final interpretation of conflicts of interest matters, and approval of requests for outside or secondary employment. - Department directors may not hire members of their immediate family to work in departments under their scope of responsibility.

Section 8. Unlawful Workplace Harassment

CFPUA prohibits unlawful workplace harassment of employees in any form to ensure that work sites are free of unlawful workplace harassment. This policy also prohibits retaliation against employees who file complaints, are witnesses to unlawful workplace harassment, and persons providing evidence in relation to harassment complaints.

CFPUA's policy is that no employee may engage in conduct that falls under the definition of unlawful workplace harassment indicated below. All employees are guaranteed the right to work in an environment free from unlawful workplace harassment and retaliation. The desired standard of employee behavior is one of cooperation and respect for each other despite any differences.

All employees, including appointed and elected; full-time and part-time; and temporary and seasonal are responsible for conducting themselves in a manner consistent with the spirit and intent of this policy. Conduct prohibited by these policies is unacceptable in the workplace and in any work-related settings outside the workplace, such as during business trips, business meetings and business-related social events.

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

Unlawful Workplace Harassment defined: "Unlawful workplace harassment" is defined as unsolicited and unwelcome speech or conduct based upon race, sex, creed, religion, national origin, age, color, or disability that creates a hostile work environment or circumstances involving sexual harassment.

Conduct that may rise to the level of creating a hostile work environment includes verbal, nonverbal, or physical behavior that both a reasonable person would find hostile or abusive and one that the person, who is the object of the harassment, perceives to be hostile or abusive. Hostile work environment is determined by looking at all circumstances or incidents, including frequency of alleged harassing behavior, severity, and whether it unreasonably interferes with an employee's performance or adversely affects the employee's employment opportunities.

Retaliation is adverse treatment which occurs because of opposition to unlawful workplace harassment.

Sexual harassment consists of unwelcome sexual advances, requests for sexual favors, and other verbal, visual, written or physical conduct of a sexual nature when:

- The employee is told or threatened, expressed or implied, that submission to the conduct will influence any personnel decision (employment, wages, advancement, assigned duties, shifts, or any other condition of employment or career development);
- Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- Such conduct has the purpose or effect of unreasonably interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Some types of prohibited sexual advancement include, but are not limited to:

- Verbal propositions or innuendo; lewd or sexually offensive comments; humor, jokes or teasing about sex or gender – specific traits; rumors about other employees, verbal abuse, and insults;
- Nonverbal – sexually oriented gestures, signs, cartoons, pictures, cards, books, magazines, graffiti, or paraphernalia; whistling; email, internet, or other computer transmissions;
- Physical – any unwelcome touching which includes rubbing, patting, pinching, or brushing the body.

Role of Department Directors and Supervisors: Department directors and supervisors are responsible for conducting themselves in a manner consistent with the spirit and intent of this policy. They shall establish and maintain a climate in the work unit which encourages employees to communicate questions or concerns regarding this policy; recognize incidents of unlawful workplace harassment; take immediate corrective action to stop such behavior; and notify the Human Resources Director so that consistent investigatory procedures may be implemented. Any department director or supervisor who observes, is confronted with, or becomes aware of any situation involving unlawful workplace harassment must advise the offending individual(s) to stop the harassing behavior and report the situation immediately to the department director and the Director of Human Resources. Disciplinary action, up to and including termination, may result against supervisors and managers who fail to respond immediately and appropriately to perceived unlawful workplace harassment.

Complaints Procedure for Unlawful Workplace Harassment: Any employee who feels he/she is being subjected to unlawful workplace harassment should immediately contact his/her immediate supervisor, the department director, the Human Resources Director, or the Executive Director or his/her designee, but does not require any reports to be made to the immediate supervisor or to anyone the employee believes to be participating in the unlawful workplace harassment. Employees are encouraged to speak with whomever they feel the most comfortable from those listed above. If the employee wishes to speak only with a person of the same gender, this request will be accommodated. A supervisor, department director, the Human Resources Director, Executive Director or his/her designee will prepare a written statement documenting the complaint. Complaints of unlawful workplace harassment will be confidentially maintained, while the matter is thoroughly investigated and promptly dealt with as appropriate. Under no condition will the investigation be conducted by or under the direction of the person(s) reported to have engaged in the unlawful workplace harassment.

The employee who is accused of unlawful workplace harassment may be placed on investigation leave while fact-finding is conducted. Due diligence regarding the complaint will be completed as confidentially as possible, and a

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

written report shall be completed by the designee. Within a reasonable period, the Executive Director will determine whether the conduct of the person against whom a complaint has been made constitutes unlawful workplace harassment. In making that determination, the report and the totality of circumstances, including the nature of the conduct in question, the context in which the conduct, if any, occurred, and the conduct of the person accused of unlawful workplace harassment shall be reviewed.

If it is determined that the complaint of unlawful workplace harassment is founded, immediate and appropriate disciplinary action shall be taken consistent with applicable laws and policies. The disciplinary action shall be consistent with the nature and severity of the offense, the rank of the employee and any other factors deemed appropriate.

Retaliation against employees or job applicants who report, or file complaints or charges due to perceived unlawful workplace harassment, or who participate in investigations or proceedings as witnesses, or in other capacities is prohibited and will not be tolerated and should be reported immediately according to the reporting procedure outlined in this policy.

Unlawful Workplace Harassment by Non-Employees: When reports of unlawful workplace harassment against an employee in the workplace involves a non-employee, CFPUA will support the appropriate steps to address the unlawful workplace harassment.

Employee Responsibilities: Employees are obligated to cooperate in every fact-finding of unlawful workplace harassment. Employees are also obligated to refrain from filing fraudulent or “bad faith” complaints of unlawful workplace harassment. Disciplinary action up to and including dismissal may be taken against any employee who refuses to cooperate in the fact finding of a complaint of unlawful workplace harassment or who files a fraudulent complaint of unlawful workplace harassment.

Section 9. Safety and Health

CFPUA is committed to providing a safe and healthy working environment for all employees and ensures that every reasonable precaution is taken to prevent the incidence of accidents, injuries, and illnesses for employees. We expect each employee to follow safe working procedures and use good common safety sense when at work. CFPUA’s Safety Policies Handbook has been prepared and adopted as the safety guidelines and all employees are expected to comply with this policy and its procedures. Employees can access the CFPUA’s Safety Policies at www.cfpua.org , or by requesting it from their supervisor.

Employees must immediately report, to their supervisor, unsafe conditions or practices or if a work-related accident, injury, or illness occurs. If a work-related accident, injury, or illness, the employee(s) are required to follow the procedures set forth in the CFPUA’s Safety Policies Handbook. CFPUA has adopted a proactive work-related accident, injury, or illness return to work policy that requires all employees in a modified or restricted duty status to return to work and perform their duties consistent with their physical restriction set by their treating physician. If an employee has any questions regarding the CFPUA’s Safety Policies Handbook, they are encouraged to contact their supervisor or the Safety Officer.

Section 10. Workplace Violence

CFPUA’s intent is to provide a safe workplace that is free from violence for all employees. Violent acts against employees, whether committed while on-duty or off-duty, have the potential to impact an employee’s ability to perform their assigned duties.

All reported incidents will be investigated. Reports or incidents warranting confidentiality will be handled appropriately and information will be disclosed to others, only, on a need-to-know basis. Retaliation against any employee who, if in good faith, reports a violation of this policy is prohibited. Every effort will be made to protect the safety and confidentiality of anyone who comes forward with concerns about a threat or act of violence. All parties involved in a situation will be counseled and the results of investigations will be discussed with them to the extent allowed without breaching any confidentiality restrictions. CFPUA will actively intervene at any indication of a possibly hostile or violent situation.

Risk Reduction Measures:

Hiring: CFPUA takes reasonable measures to conduct background investigations, to review candidates' backgrounds and to reduce the risk of hiring individuals with a history of violent behavior.

Safety: CFPUA conducts inspections of the premises to evaluate and determine any vulnerability to workplace violence or hazards with necessary corrective action taken to reduce all risks.

Individual Situations: While there is no expectation that employees be skilled at identifying potentially dangerous persons, employees are expected to exercise good judgment and to inform their supervisor if any employee exhibits behavior which could be a sign of a potentially dangerous situation. Such behavior includes:

- Bringing or threatening to bring weapons to the workplace;
- Displaying overt signs of extreme stress, resentment, hostility, or anger;
- Making threatening remarks;
- Sudden or significant deterioration of performance;
- Displaying irrational or inappropriate behavior.

Dangerous/Emergency Situations: Employees who confront or encounter an armed or dangerous person should not attempt to challenge or disarm the individual. Employees should remain calm, make constant eye contact and talk to the individual. If a supervisor can be safely notified of the need for assistance without endangering the safety of the employee or others, such notice should be given. Otherwise, cooperate and follow the instructions given.

Enforcement: Threats, threatening conduct, or any other acts of aggression or violence in the workplace will not be tolerated. Employees are prohibited from possessing firearms or weapons on CFPUA property or in CFPUA vehicles. Section 2. Maintenance of the Classification Plan

The Human Resources Director, as directed by the Executive Director, is responsible for maintaining the classification plan to ensure that it accurately reflects the duties performed by employees in the job classes assigned. Department directors are responsible for providing the Human Resources Director with documentation of substantive changes in duties, responsibilities, working conditions or other factors that could affect the classification of any existing position under their supervision.

When the Human Resources Director determines through job audit and/or job evaluation that substantial change has occurred in the nature or level of duties and responsibilities of an existing position, a recommendation is prepared for the Executive Director to revise or reassign the existing position to the appropriate job class within the existing classification plan, to amend the classification plan by establishing a new job class to which the position may be assigned, or to take other action as needed.

Human Resources will maintain official job classifications for all CFPUA positions. Human Resources maintains a record of all budgeted and authorized positions.

Section 3. Classification of New Positions

The Human Resources Director, as directed by the Executive Director, is responsible for reviewing and making recommendations to assign a new position to an existing job class or to a newly created job class. The recommendation must consider documentation furnished by the department director outlining the duties, responsibilities, typical tasks, and qualifications proposed for the position and the results of a job audit and job evaluation to be conducted by the Human Resources Director or a designee. The creation or addition of a new position will require approval by the full Board.

Section 4. Amendment of the Position Classification Plan

The Executive Director may recommend amendments to the classification plan to the CFPUA Board as needed.

ARTICLE V - THE PAY PLAN

Section 1. Adoption

The pay plan refers to the schedule of pay ranges established for all job classes within CFPUA's classification plan. Each pay range consists of a minimum, 1st quartile, midpoint, 3rd quartile and maximum rate of pay. The pay range defines the lower and upper limits that CFPUA is willing to pay for positions assigned to the pay range. Each pay range is assigned a pay grade number that is unique to CFPUA's pay plan. The pay plan is designed to promote employee progression through the pay range, so long as the employee's performance is consistently satisfactory or better. The Board Members are responsible for adopting the pay plan.

Section 2. Maintenance of the Pay Plan

The Human Resources Director, as directed by the Executive Director, is responsible for the administration and maintenance of the pay plan. The pay plan is intended to provide equitable compensation for all positions, reflecting

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

differences in duties and responsibilities, the rates of pay for comparable positions in private and public employment in the area, changes in the cost of living, the financial conditions of CFPUA, and other factors. The Executive Director is authorized to conduct comparative studies of all factors affecting the pay plan and to recommend annual pay plan adjustments to the Board Members.

When the Human Resources Director determines, through periodic market analysis and/or salary surveys, that a reasonable change has occurred in the pay level of an existing position. A recommendation may be prepared for the Executive Director to revise or reassign the respective position to the appropriate pay range within the existing pay range table, or to take other action as needed. The Executive Director is authorized to approve pay grade changes to maintain the pay plan.

Section 3. Starting Salaries

The normal hiring or promotion range for all CFPUA positions will be from the minimum to the midpoint of the assigned pay grade based on the following pay factors: meet or exceed the minimum qualifications for the position, internal equity to others in the classification and department, the department's resources and relationship to the market. Prior to making an offer of employment or promotion, the Human Resources Director, in consultation with the hiring department director, will submit a recommended starting salary to the Executive Director for approval. The starting salary recommendation must consider all the pay factors. The Executive Director is authorized to approve the hiring or promotion of an employee at any rate between the minimum and maximum of the assigned pay grade and must approve the hiring or promotion of an employee at a salary rate above the midpoint rate established for the job.

Section 4. Salary of Trainee

Employees may be hired as a trainee for a position under a program designed to bring the trainee to full competency for the position with a pre-determined timeframe. Trainee salaries may be five (5) percent below the minimum salary established for the position for which the person is being trained. The training salary will remain in effect until the department director determines that the trainee has met the competency level for the position and qualifies for the adjustment or is able assume the full responsibilities of the position. The department director will develop a training plan for each trainee and will review the trainee's progress monthly, or more frequently as necessary, to determine when the trainee is qualified to assume the full responsibilities of the position. In no event will an employee remain in a trainee status for longer than one (1) year, unless preempted by the specific approved job specification. All reviews will be forwarded to the Human Resources Office for retention in the employee's official personnel file.

Section 5. Apprenticeship Programs

An applicant hired or employee placed into a position that is under an established apprenticeship program as recognized by the N.C. Department of Labor may be appointed at a rate in the pay plan below the minimum pay grade established for the position. The employee will be subject to the pay plan established for the respective apprenticeship program.

Section 6. Annual Pay Rate Adjustments

The Board Members will review the pay plan annually and consider recommendations from the Executive Director to adjust the pay plan or pay ranges within the pay plan as needed to reflect changes in the cost of living, to maintain pay rates for CFPUA positions at a level comparable with rates paid by other public and private employers, and consideration for the financial conditions of CFPUA.

Employees cannot receive any annual pay rate adjustment that will place them above the maximum rate for their respective pay grade. Employees that are at or above the maximum for their respective pay grade will not receive any annual pay rate adjustment.

Section 7. Pay for Performance

The Board Members will review the pay for performance adjustment amount annually and consider recommendations from the Executive Director to adjust the pay for performance plan as needed to reward CFPUA employees who are performing at levels that qualify for a pay for performance increase. This review will take into consideration the financial conditions of CFPUA.

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

The Human Resources Director, as directed by the Executive Director, is responsible for the administration and maintenance of the pay for performance plan. A standardized performance appraisal system will be used and the employee will receive an evaluation at least annually. All employees, who have completed the probationary period, with the exception of seasonal and temporary employees, will be eligible for pay for performance increase.

Employees that receive an overall marginal or unacceptable performance appraisal will not receive any pay for performance increase for that review period and be placed on a Performance Improvement Plan (PIP). The employee must successfully complete the PIP and receive a satisfactory or better performance rating within the timeframe designated under the improvement plan. An employee who successfully completes a PIP will not receive any retroactive pay for performance adjustment.

Employees cannot receive any pay for performance adjustment that will place them above the maximum rate for their respective pay grade. Employees that are at or above the maximum for their respective pay grade will receive a lump-sum payment for any pay for performance adjustment.

Section 8. Pay Rates for Promotions, Demotions, Voluntary Reassignments, Reclassifications, Interim Appointments, and Salary Modifications

The pay rate of an employee may be adjusted when the employee is promoted, demoted, reassigned, or reclassified as set forth below.

Promotion: An employee who is promoted may receive a pay increase in base pay or an increase to the minimum rate of the new pay range, as long as the new pay rate does not exceed the maximum established for the pay range. Pay adjustments for promotions will be recommended by the department director in conjunction with Human Resources and based on the following pay factors: meet or exceed the minimum qualifications for the position, internal equity to others in the classification and department, the department's resources and relationship to the market. Pay increases that exceed 25% percent, must be approved by the Executive Director.

Demotion: The pay of an employee who is demoted will be set at any amount in the new pay range that does not fall below the minimum of the new pay range or exceed the rate at which the employee was paid in the position from which the employee was demoted.

Voluntary Reassignment: An employee voluntarily transferring from a position in one class to a position in another class assigned to the same pay range will continue to receive the same salary unless an increase is warranted based on internal equity within the classification and department. When an employee is temporarily transferred from a position in one class to a position assigned to a higher class, the employee may be paid at a higher rate as long as the temporary transfer is in effect. The rate of pay for an employee who requests a voluntarily demotion to a job class assigned to a lower pay range will be set at the equivalent rate in the new pay range based on internal equity within the classification and department and provided that does not exceed the rate at which the employee was paid in the position from which the employee was voluntarily reassigned.

Reclassification: An employee whose position is reclassified to a class having a higher pay range may receive pay increase in base pay to the minimum rate of the new pay range, and, based on the following pay factors: meet or exceed the minimum qualifications for the position, internal equity to others in the classification and department, the department's resources and relationship to the market. The increase may not exceed the maximum for the established pay range. If the position is reclassified to a lower pay range and the employee is receiving a salary above the maximum rate established for the new class, the employee's pay will be reduced using the above pay factors or at least to the maximum rate established for the new class and maintained at that level until the pay range to which the employee's job class is assigned increases.

Interim Appointments: Employees serving in an interim or acting capacity may receive a pay increase in base pay based on the pay factors or at least to the minimum rate of the new pay range, but does not exceed the maximum pay rate established for the pay range. Any increase received by an employee for functioning in an interim or acting capacity will cease when the employee no longer functions in that capacity.

Salary Modification: The Executive Director may grant a salary modification to an employee's salary, not inconsistent with this Article, when it is for equity or determined to be in the best interest of CFPUA. Salary

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

modifications under this provision will be evaluated on a case-by-case basis on the pay factors and subject to the availability of funds and the financial condition of CFPUA.

Any deviation from the pay practices detailed in this section must be requested in writing by the respective department director and approved by the Human Resources Director and Executive Director.

Section 9. Pay for Part-Time Work

An employee appointed for less than full-time service will be paid using the same pay plan established by this policy converted to an hourly rate of pay.

Section 10. Overtime Pay and Compensatory Time

Overtime Pay: CFPUA's policy complies with the provisions of the Fair Labor Standards Act (FLSA) and prohibits improper deductions from pay for exempt employees.

The Director of Human Resources is assigned responsibility to designate each CFPUA job class as exempt or non-exempt in accordance with the provisions of the FLSA.

Employees in an exempt job class will not be paid for hours worked over 40 hours in a work week.

Employees in a nonexempt job class who work more than 40 hours in a work week will be compensated at an overtime rate of one and one-half hours for every hour worked of more than 40 hours in the seven-consecutive 24-hour day pay period.

All overtime must be authorized in advance by the employee's department director or a supervisor who has been designated by the department director to make such decisions.

Paid holidays or any hours for which an employee does not physically work including paid vacation and sick leave, will not be counted as hours worked in computing overtime. Time worked on a CFPUA designated holiday will be considered time worked for computing overtime compensation. Non-exempt employees who work overtime will be paid for all overtime incurred during the pay period in which the overtime was worked, unless permission to convert to compensatory time is requested and granted.

CFPUA has the right to adjust work schedules to stay within the budget constraints.

Compensatory Time: The department director may periodically grant the use of compensatory time for non-exempt employees in lieu of overtime due to extenuating circumstances. The Executive Director may approve a department's regular use of compensatory time for non-exempt employees. Accrual and use/payment of compensatory time will follow the applicable rules established by the Fair Labor Standards Act. Compensatory time accrued and taken will be recorded on the employee's official timesheet. The Finance Office maintains compensatory time records.

Section 11. Stand-By and Call-Back Time and Pay

CFPUA's Stand-by and Call-back Policy provides for compensation for non-exempt (hourly) employees subject to be called into service when needed. Emergencies and other conditions of a short duration, which require corrective action at the earliest time, may necessitate having personnel available for service outside regular working hours on a continuing, but limited basis. Stand-by duty must be specifically designated as such and must be approved by the department director in accordance with established budgetary and fiscal control.

Stand-by Time and Pay: Stand-by time is defined as time an employee is required to be available to be called into work, if the situation requires. Stand-by time is not considered as hours worked under the Fair Labor Standards Act, provided the employee is not required to remain on or so close to the employer's premises, or otherwise so restricted that they cannot use the time effectively for their own purposes. An example of stand-by time that is not considered hours worked is an employee that is on stand-by 24-hours a day, seven days a week, and is required to respond to all calls, but is free to go about their normal activities such as working in their yard, going shopping, out to dinner and travel within a 30-mile radius.

CFPUA will compensate employees for stand-by time at the rate of one (1) hour of regular pay for each day they are scheduled to work and scheduled to be on stand-by. Employees will receive two (2) hours regular pay for days they

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

are not scheduled to work but are on call, such as Saturday, Sunday and holidays observed by CFPUA. Stand-by time will not be considered as hours worked to compute overtime compensation.

Call-back Time and Pay: Call-back time is defined as all time spent responding to a call-back to work, including time spent on the telephone for a significant event only. The designation of a significant event will be determined by the Chief Operations Officer or his/her designee. If an employee is on stand-by and is instructed to report to work, the employee will receive a minimum of two (2) hours regular pay, or the pay for actual time worked, whichever is greater. Actual time worked will be considered as hours worked to compute overtime compensation. The employee may be required to remain at work for the minimum two hours. If called back into work within the two hours, the time will be considered part of the two-hour minimum and the employee will be paid for all hours worked that exceed the two hours.

Employees that are provided with a CFPUA communication device (pager, cell phone, radio) are required to acknowledge receipt of the call-back in no more than 10 minutes of the notification. The employee is expected to be at the work site within 30 minutes of the call-back acknowledgement, and be prepared to work.

Employees on stand-by or are called back to work, who fail to respond in any way, or who is "unable" to respond to a work location will forfeit all stand-by pay for that day and may be subject to disciplinary action.

Section 12. Payroll Deductions

Only payroll deductions specifically mandated or authorized by applicable federal and state laws and regulations or approved by CFPUA may be deducted from employee pay each pay period. All voluntary deductions must be authorized by the employee.

CFPUA becomes aware of a deduction which may have been made improperly, Human Resources will fully investigate the situation and reimburse any employees who have had improper deductions from their pay and take actions to prevent continued improper deductions of this kind.

Section 13. Time Records

Time records must be submitted on a timely basis for each respective pay period. It is the employee's responsibility to provide a true and accurate time record for each pay period. It is the responsibility of the employee's supervisor to verify and approve time records for each pay period. Falsification or misrepresentation of time records may result in disciplinary action, up to and including termination of employment.

Section 14. Pay Periods

Seven consecutive 24-hours days are considered a pay period. Employees are paid every two weeks on Thursday for the previous two pay periods. An email notification is sent to the employee the week prior to the Thursday pay date. Employees that have discrepancies in their pay are to report the discrepancy to their supervisor immediately. CFPUA requires all employees be paid as a direct deposit to a financial institution.

Section 15. Premium Pay

CFPUA provides every employee with a base compensation. However, there may be circumstances when additional compensation is appropriate to provide a reward for exceptional performance; or as compensation for successful participation in a special program, event; or for an exempt employee's time worked due to inclement weather/disaster preparation or recovery. Premium pay is contingent upon performance, results achieved, or event; and subject to the availability of funds.

Premium pay is compensation in addition to an employee's base pay. Premium pay will be paid in accordance with the provisions of the Fair Labor Standards Act (FLSA), and subject to all applicable withholding taxes.

The department director may recommend premium pay for an amount of up to \$500 to a fulltime employee that meets the eligible criteria and has not received any formal disciplinary action with CFPUA in the previous twelve (12) months. Written justification is required for each premium pay request. The Human Resources Director and the Executive Director must approve all premium pay requests and payments.

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

Section 16- Spot Reward Recognition Program

The department director or supervisor may award a twenty-five-dollar (\$25) gift card to an employee in recognition of their day-to-day efforts that contribute in a special way to getting the job done. Under this non-monetary award program, supervisors may give immediate recognition and reward employee excellence for unique actions that go above and beyond expectations.

ARTICLE VI – LEAVE OF ABSENCE

Section 1. Holidays

CFPUA will follow the same holiday schedule observed by the State of North Carolina. Typically, those holidays are as follows:

New Year's Day	January 1
Martin Luther King Day	3rd Monday in January
Good Friday	Friday before Easter
Memorial Day	Last Monday in May
Independence Day	July 4
Labor Day	First Monday in September
Veterans' Day	November 11
Thanksgiving Day	4th Thursday in November
Day after Thanksgiving	Day after Thanksgiving
Christmas Day	December 25 (plus one to two additional work days)

CFPUA reserves the right to adjust the holiday schedule as deemed necessary. It is CFPUA's intent to ensure that regular full-time employees receive eleven (11-12) paid holidays, equivalent to eighty-eight (88-96) hours annually. Any holiday falling on Saturday or Sunday will be observed as determined by the State of North Carolina schedule. If employees are assigned to work a schedule other than Monday to Friday, the holiday will be observed the day on which it occurs. Employees, who are required to work on a scheduled holiday, (the State designated day or the actual holiday on Saturday or Sunday) will receive payment for the holiday or may request to the department director to receive an equivalent day off. The equivalent day must be taken **no later than 60 days** from the date of the holiday or paid to the employee on the next regular pay cycle. Under no circumstances will an employee receive payment for a holiday and an equivalent day off. Regular part-time employees will receive paid holidays on a pro-rata basis. Temporary employees are not eligible for paid holidays.

Regular full-time employees will receive eight (8) hours of holiday pay plus hour-for-hour compensation for all hours worked on the holiday. Regular part-time employees will receive pro-rata holiday pay based on their regular work schedule. In cases where the holiday extends a full-time nonexempt employee beyond the normal forty (40) hour work week, overtime will be paid if the employee works over forty (40) hours in a work week. A nonexempt employee who works forty (40) hours in a work-week will be paid forty (40) hours at the regular rate of pay and will receive eight (8) hours of holiday pay at the regular hourly rate. A fulltime nonexempt employee that normally works a regularly scheduled alternative shift, which is defined as a regularly scheduled shift that is fixed and exceeds eight (8) hours, will receive eight (8) hours of holiday pay.

CFPUA departments whose functions require extended hours of operation (i.e., evening and weekend hours) and who find it necessary to reduce hours of operation beyond those paid days designated by CFPUA must ensure that no employee gains additional benefit from the extended closings. If a department director (after obtaining approval from the Executive Director) extends a holiday closing to a weekend or evening shift impacted by the corresponding holiday, only those individuals whose shifts are affected by the additional days or hours closed are eligible for rescheduling of work. No other employees within the department may alter their work weeks to gain an advantage not available to other CFPUA employees. Those employees whose shifts are affected by the additional closings must

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

reschedule the non-holiday work hours within the same work week affected by the extended closings or must use approved vacation leave to complete their work weeks. If rescheduled, the rescheduled employees must perform meaningful and productive work for the agency during the rescheduled hours. In no case should employees or their supervisors create “make work” or artificial assignments to fill the rescheduled hours.

Regular holidays that occur during a vacation, sick or other paid leave period will not be charged as vacation or sick, leave. To receive holiday pay, an employee cannot be in an unpaid status. The employee must work on the last scheduled work day before and the first scheduled work day after the holiday to receive pay for the holiday

Section 2. Vacation Leave

Vacation leave is a benefit granted by CFPUA to eligible employees. Vacation leave is earned by regular full-time and part-time employees working each pay period (limited to 26 pay periods per calendar year) and based on years of service to CFPUA. Eligible full-time and part-time employees begin accruing vacation leave on the employee’s hire date; however, the employee must be employed six (6) months before the employee is eligible to take paid vacation leave, unless authorized and approved by the Executive Director. Any employee that separates from CFPUA prior to completing six (6) months of employment will forfeit any unpaid accrued vacation leave. Upon request of the employee, and appropriate documentation provided, the Executive Director may award employees with previous experience in fulltime positions with other state and local governments with up to twenty years of experience as the basis for earning vacation leave. The following chart provides the rate at which regular full-time employees earn vacation leave each pay period (limited to 26 pay periods per calendar year) and annually.

Years of Continuous Service	Hours Earned Each Pay Period (limited to 26 pay periods per calendar year)	Hours (Days) of Full-time Annual Vacation Earned
Less than 2 years	3.076	80 (10 days)
2 but less than 5 years	3.692	96 (12 days)
5 years, but less than 10 years	4.615	120 (15 days)
10 years, but less than 15 years	5.538	144 (18 days)
15 years through 20 years	6.462	168 (21 days)
20 years and over	7.384	192 (24 days)

Full-time employees must be in paid status for the forty hours (40) in the pay period to receive a full accrual of vacation or it will be a pro-rata amount. Part-time employees accrue vacation on a pro-rata basis based upon their hours of work schedule. Any part-time employee that separates from CFPUA prior to completing six (6) months of employment will forfeit any unpaid accrued vacation leave. Temporary and seasonal employees are not eligible for vacation benefits.

Taking Vacation Leave: Vacation leave may be taken as earned by a regular employee subject to eligibility and the approval of the supervisor. Each department is responsible for scheduling an employee’s vacation leave without undue disruption of department operations. Leave requests shall be submitted as early as possible, or at the direction of the department director. Employees will be required to take vacation leave before being granted a leave without pay.

Maximum Accumulation: The maximum accumulation of accrued vacation leave for regular fulltime employee is 320 hours in any CFPUA fiscal year. The maximum accumulation for regular part-time employees is pro-rata based

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

on the employee's regular work week. If an employee has accrued vacation leave exceeds the allowed maximum accumulation amount as of the last pay period, of CFPUA's fiscal year, the employee's excess vacation leave will be converted to sick leave on an hour for hour basis. The converted sick leave must be used in the same manner as accrued sick leave. (See Article VI, Section 3. Sick Leave.)

Pay Out of Accumulated Vacation Leave: An employee who is separated from CFPUA for reasons other than gross misconduct shall be paid for vacation leave accrued to the date of separation provided the employee has been employed with CFPUA for six (6) months and limited to a maximum of 320 hours.

The estate of an eligible employee who deceases while employed by CFPUA shall be entitled to payment for all the unpaid accrued vacation leave provided the deceased employee had been employed with CFPUA for six (6) months, not to exceed a maximum of 320 hours, at the time of death.

Under this subsection, all accrued vacation leave, greater than 320 hours is forfeited resulting in a zero balance for any employee or deceased employee, with exception to any employee that is retiring under one of the provisions allowed under the North Carolina Local Government Employees Retirement System. Any accrued vacation leave over 320 hours will be converted to sick leave on an hour for hour basis at the time of retirement, and administered in accordance with Section 3, subsection 2 of this Article, Sick Leave - Retirement Credit for Accumulated Sick Leave.

Section 3. Sick Leave

Sick leave is a benefit granted by the CFPUA to eligible employees. Regular full-time employees accumulate sick leave at a rate of 3.692 hours for each pay period (limited to 26 pay periods per calendar year) worked up to a maximum of ninety-six (96) hours per year. Full-time employees must be in paid status for the forty hours (40) in the pay period to receive a full accrual of sick leave or it will be a pro-rata amount. Part-time employees earn sick leave on a pro-rata basis. Full-time and part-time employees begin accruing sick leave on the employee's hire date. Temporary and seasonal employees do not earn sick leave benefits.

Sick leave will be granted to an employee absent from work for any of the following reasons: sickness, bodily injury, required physical or dental examination or treatment, or exposure to a contagious disease, when continuing work might jeopardize the health of others. Sick leave may be used when an employee must care for a member of the immediate family, but may not exceed three (3) days for any one occurrence, except in the case of the employee's spouse, children, mother or father or approved FMLA. See definition of immediate family under Article I, Section 4E.

Employees are asked to submit requests for sick leave to their supervisor prior to the leave, when possible, or not later than one-half (½) hour before the beginning of a scheduled work day, or work shift. Employees must have accrued sick leave to be eligible to be paid sick leave.

Payment for all unpaid accrued sick leave is forfeited upon separation of employment with the CFPUA.

Sick Leave - Physician's Certificate: The employee's supervisor or department director may require a physician's certificate for each occasion on which an employee uses sick leave for more than three (3) or more days. The physician's certification must release the employee to full duty or identify any restrictions of duty and be submitted on the treating physician's letterhead. The supervisor or department director may also require a physician's certificate for less than three (3) days if they suspect abuse of sick leave privileges. Supervisors and department directors will submit all employee's physician certificates and other medical data to Human Resources for filing.

Sick Leave - Retirement Credit for Accumulated Sick Leave: Sick leave shall accumulate with no maximum accumulation and may be used as credit for service under the North Carolina Local Governmental Employees Retirement System, in accordance with all rules and regulations.

One (1) month of retirement credit is allowed for each twenty (20) days accrued in an employee's sick leave account at time of retirement to employees who are members of the North Carolina Local Governmental Employees Retirement System.

Sick Leave – Transfer: Employees hired by the CFPUA, whose immediate past employer and within the last 90 days, was the State of North Carolina, any of its political subdivisions, any local government entity or authority, or municipality in North Carolina, may transfer any unused sick leave, provided the employee has not requested, or is

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

receiving, retirement benefits from the North Carolina Retirement System. The employee must request this transfer within 90 days of the beginning of employment with the CFPUA, and it is the responsibility of the employee to provide bona-fide documentation of the amount of unused sick leave from the immediate past employer. Upon verification of the unused sick leave by Human Resources, the employee will be credited with the transferred sick leave.

Section 4. Bereavement Leave

Fulltime employees who have a death in their immediate family may take up to three (3) days of bereavement leave for any one occurrence. Part-time employees are eligible for bereavement leave on a pro-rata basis. See definition of immediate family under Article 1, Section 4E. Employees who need additional time off due to a death in the immediate family employee may use vacation time, or unpaid time off with supervisor's approval.

Section 5. Family and Medical Leave Act

CFPUA does recognize and comply with the Family and Medical Leave Act of 1993. The FMLA Act provides an employee up to 12 weeks of unpaid leave within any 12- month period for the birth or adoption of a child, to provide physical or psychological care for a child, spouse (husband or wife), or parent with a serious health condition, or to care for the employee's own serious health condition.

Eligibility for FMLA: To be eligible for FMLA an employee must have worked for CFPUA a minimum of one (1) year and have worked 1250 hours or more during the 12 months prior to requesting leave. CFPUA designates the "rolling" 12-month period measured backward from each date an employee uses FMLA leave to calculate the 12 months.

Birth or Placement of a Child: An employee must conclude leave for the birth or placement of a child or adoption or foster care within 12 months after the event. FMLA leave may begin prior to birth or placement, as circumstances dictate.

Qualifications: To qualify for medical leave, the health condition or treatment(s) must be such that it requires the employee to be absent from work on a recurring basis for more than three (3) days for treatment or recovery.

Intermittent or Reduced Leave: In case of the employee's own serious health condition or that of a family member, the employee may take leave intermittently or on a reduced work schedule, if medically necessary. When the leave is for adoption or the birth of a child, the employee may take leave intermittently or a reduced work schedule only with the joint approval of the employee and the department director, subject to approval by the Human Resources Director and Executive Director.

If the employee requests intermittent or reduced leave status, CFPUA may temporarily transfer the employee to a position that allows for this scheduling.

Use of Paid Time-Off Benefits: The employee must use paid benefits, such as vacation or sick leave, for the time off in accordance with CFPUA's policy regarding the use of such benefits. Use of paid time-off benefits will run concurrent with FMLA leave and will not add to or increase the total length of the FMLA leave time. Unless the employee substitutes paid time-off benefits, the employee's pay will be reduced for all full days of unpaid leave taken, or for all hours of leave taken within a single day. If the employee is an exempt employee, the reduction in pay for partial days will not impact the exempt status under the Fair Labor Standards Act.

Leave Provisions for Spouses Both Working for CFPUA: If leave is taken for the adoption or birth of a healthy child, or care of a sick parent, the maximum combined leave for both spouses is 12 weeks. If leave is taken to care for an ill child or spouse, each spouse is entitled to 12 total weeks of leave.

Military Family Medical Leave: Eligible employees are entitled to up to 12 weeks of leave because of "any qualifying exigency" arising out of the fact that the spouse, son, daughter, or parent of the employee is on active duty, or has been notified of an impending call to active duty status, in support of a contingency operation.

An eligible employee who is the spouse, son, daughter, parent, or next of kin of a covered service member who is recovering from a serious illness or injury sustained in the line of duty on active duty is entitled to up to 26 weeks of leave in a single 12- month period to care for the service member. This military caregiver leave is available during a

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

“single 12-month period” during which an eligible employee is entitled to a combined total of 26 weeks of all types of FMLA leave.

Job Restoration: Most employees granted leave will be returned to the same position held prior to the FMLA leave, or one that is equivalent in pay, benefits, and other terms and conditions of employment. Certain highly compensated salaried employees (key employees) are eligible for leave, but are not guaranteed restoration to their position if they choose to take leave.

Employee Benefits: Employee benefits will continue during FMLA leave. Both CFPUA and the employee will continue to pay the customary portions of the monthly premiums. The Human Resources department will advise the employee of their respective premium amount and due date. Failure of the employee to pay their share of the premium will result in the suspension of coverage for health care benefits and the termination of coverage for any non-health care benefits for the period of non-payment. If the employee chooses not to return from leave, under certain circumstances, the employee may be required to repay CFPUA’s portion of the premium payment.

Notification/ Written Request: Request for FMLA should be submitted by the employee to Human Resources. The employee must provide 30 day’s written notice of need for FMLA leave. If emergency conditions prevent such notification, the employee should provide as much advanced notice as possible.

Certification: Certification of the need for leave to care for the employee’s illness or injury or that of a family member is required. The employee must complete a leave of absence form and obtain the following information from a responsible health care provider and make it available to Human Resources:

- The date the serious health condition began;
- The duration of the condition;
- A statement that the employee is needed to care for the ill person and the estimated length of the leave, or a statement that the employee cannot perform the functions of his/her job;
- If applicable, the medical reasons verifying the need for intermittent leave or a reduced work schedule, such as scheduled dates for treatment(s).

If no certification is provided, based on the information at hand, Human Resources may or may not designate leave as qualifying as FMLA leave. Under the circumstances, if Human Resources designates leave as qualifying as FMLA leave, the employee will be provided with a written notification of such designation. Human Resources will notify the department director of the request and approval of FMLA.

Medical Dispute Resolution: If there is a dispute about the medical opinion provided by the employee’s physician, Human Resources may require a second opinion by a physician of CFPUA choice, at CFPUA’s expense. If a third opinion is necessary, a third physician may be selected, also at CFPUA’s expense. The third physician must be agreed upon by both the employee and CFPUA, and the physician may not be employed on a regular

Release to Return to Work: A physician’s release is required for the employee to return from leave.

Problem Resolution: It is the policy of CFPUA not to discharge or discriminate against any employee exercising his/her rights under the Family and Medical Leave Act. Any employee that feels he/she has been discriminated against, the employee should follow the policy guidelines under Article IX- Grievance Procedures.

For More Information: For more information about the Family and Medical Leave Act, the employee may contact the Human Resources Director.

Section 6. Leave Without Pay

Regular full-time and part-time employees, working at least 1,040 hours annually, may request a leave of absence without pay for absence from work not covered by any other type of eligible paid leave or if other paid leave balances are exhausted.

Requests for leave without pay must be submitted in writing to the employee’s supervisor or department director. If the leave is approved by the department director, then the request will be forwarded to the Human Resources Director and the Executive Director for approval. The following requirements apply:

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

- Leave may be granted to an employee for a period of up to three (3) months upon the approval of the Executive Director;
- Accrued vacation leave must be exhausted prior to taking any leave without pay, unless authorized by the department director otherwise;

- Leave without pay will run concurrent with any eligible Family and Medical Leave;
- An employee that fails to report promptly at the end of the unpaid leave, unless otherwise prohibited by law or regulation, is presumed to have resigned.

Employees granted leave without pay are responsible for paying all employee paid benefit plan premiums, and if the employee has exhausted FMLA, the employee is responsible for paying all benefit plan premiums during the period of leave without pay. Failure of the employee to pay any required benefit plan premium timely will result in termination of the benefit due to non-payment of premium.

Section 7. Maximum Leave of Absence

Generally, an employee's leave of absence (paid or unpaid) may not exceed twelve (12) consecutive months, unless an assessment of the employee's status and the requirements and needs of CFPUA determine otherwise. The employee's leave status will be reviewed periodically, in conjunction with the requirements and needs of CFPUA, to determine if the employee is to be separated from employment with CFPUA.

Section 8. Military Leave

Employees who are members of the National Guard or Armed Forces Reserve will be allowed two (2) calendar weeks for a total of fourteen (14) days of military training leave annually. If the employee's military pay is less than the employee's regular pay CFPUA will pay the difference, provided the employee provides proof of compensation from the respective military branch. Otherwise this leave is without pay. Employees may elect to use annual leave to cover part or all the military leave.

Employees who are required to attend inactive duty training may be granted accrued vacation leave or unpaid leave for assignments requiring their absence from their CFPUA position on Friday afternoon.

If such military duty is required beyond the two (2) calendar week annual training period, the regular employee will be eligible to take accumulated vacation leave or be placed in a leave without pay status. While taking military leave with partial pay or without pay, the employee's leave credits and other benefits shall continue to accrue as if the employee physically remained with CFPUA during this period.

Employees who are Guardspersons and Reservists have all job rights specified in the Veterans Readjustment Assistance Act and The Uniformed Services Employment and Reemployment Act (USERRA).

Employees are required to provide copies of official orders for all periods of active duty training. The employee will provide a memorandum from the unit commander for periods of inactive duty training and proof of compensation if the duty requires the employee to be absent from work.

Section 9. Civil Leave

Civil leave will be granted to regular employees who are summoned to attend court as a juror or witness, except when involved in personal litigation. CFPUA employees called for jury duty or as a court witness for the federal or state governments or a subdivision thereof shall receive leave with pay for such duty during the required absence without charge to accumulated vacation or sick leave provided that the employee returns to work immediately upon release from court. Any court fees paid to the employee for jury duty must be remitted to CFPUA. An employee required to serve as a witness because of his or her official duties must remit to CFPUA any witness fees paid by the court.

While on civil leave, benefits and leave shall accrue as though on regular duty.

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

Employees who are on Jury Duty and are scheduled for work on night shifts the same workday, or any other type of alternate work schedule, shall be protected from loss of pay for the entire twenty-four (24) hour period for each day served.

Employees that are subpoenaed for court appearance as witnesses shall not suffer loss of pay for performing any such duty. The employee must notify the supervisor of the date and time of the appearance, provide a copy of the respective subpoena, and return to work immediately after release from court and submit proof of appearance to the supervisor upon completion of such service.

Section 10. Parent Involvement in Schools

CFPUA employees who are parents, guardians, or persons “standing in loco parentis” of a school-aged child will be granted eight (8) hours per year of unpaid leave to attend or otherwise be involved at their child’s school. Leave for Parent Involvement in Schools is subject to the following conditions:

- The leave shall be at a mutually agreed upon time between the supervisor and the employee;
- A written request must be submitted to the supervisor for the leave at least forty-eight (48) hours before the time desired for the leave.

For the purposes of this section, “school” means any public school, private church school, church of religious charter, non-public school, preschool and child daycare facilities.

Section 11. Inclement Weather or Area Emergencies

It is the Cape Fear Public Utility Authority’s policy to remain open for business during regularly scheduled hours of operation, regardless of weather conditions or area emergencies.

Employees are encouraged to use their discretion in determining their safety needs during severe weather or area emergencies and to act accordingly. Employees who are not able to report due to weather conditions or area emergencies are required to notify their supervisor and to report to work when safety permits. Employees must also notify their supervisors prior to leaving work during severe weather or an area emergency.

The Executive Director may elect to pay employees for periods inclement weather or area emergencies when operations are suspended or closed. Each event will be considered on a case by case basis for CFPUA. If the Executive Director does not authorize pay for this time, employees who miss time due to inclement weather or area emergencies may elect to use any of the following:

- Accrued vacation leave;
- Working additional time within the same work week for non-exempt employees (exempt employees will be up to 30 days) to make up for lost time, provided work is available, subject to prior approval of the supervisor;
- Non-exempt employees may take the time as leave without pay and not receive compensation for time not worked. Exempt employees may take leave without pay in whole day increments.

Non-exempt employees may elect to be compensated under the options listed above. Exempt status employees are restricted to use of accrued vacation or making up the lost time. However, if neither option is available, exempt status employees will be compensated in accordance with FLSA requirements to maintain the position’s exempt status. Regardless of status, under this type of closure, probationary employees will be allowed to use ineligible accrued vacation time to be paid.

ARTICLE VII - DISCIPLINARY ACTIONS

Department directors and supervisors are responsible for maintaining the proper conduct and discipline of employees under their supervision. When an employee’s performance or conduct is determined by a supervisor or department director to be unacceptable, disciplinary action may be taken. Disciplinary action will be progressive unless the action is considered gross misconduct for job performance or gross personal misconduct conduct. Disciplinary action may vary based upon the circumstances.

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

Section 1. Cause for Disciplinary Actions

There are two causes for the discipline or dismissal of employees:

- A. Discipline or dismissal imposed for unsatisfactory job performance, including grossly inefficient job performance; or
- B. Discipline or dismissal imposed for unacceptable personal conduct.

Unsatisfactory Job Performance

Unsatisfactory job performance is work-related performance that fails to satisfactorily meet job requirements as specified in the relevant class description or position description, work plan or as directed by the management of the work unit and includes: quality or quantity of work; work habits; promptness; timely performance of work related analysis, decision or judgment; and/or accuracy of work.

Gross inefficiency job performance occurs in instances in which the employee fails to perform job requirements satisfactorily as specified in the job description, work plans, or as directed by the management of the work unit or organization and the loss of or damage to any organization property or funds that result in a serious impact on the organization and/or work unit or the failure results in the potential for serious harm to customer(s), employee(s), members of the public or to a person(s) over whom the employee has responsibility. Gross inefficient job performance includes: but is not limited to: careless, negligent or improper use of CFPUA vehicles and equipment; and gross negligence in the performance of duties.

Unacceptable Personal Conduct

Employees may be disciplined for incidents of unacceptable personal conduct. Unacceptable Personal Conduct includes, but is not limited to: conduct for which no reasonable person should expect to receive a prior warning; the willful violation of known or written work rules or policies; conduct unbecoming an employee that is detrimental to CFPUA's service; or the abuse of a person(s) over whom the employee has a responsibility.

Gross unacceptable personal conduct may include, but is not limited to falsification of an employment application or other CFPUA paperwork or documentation; insubordination, which is the willful failure or refusal to carry out a reasonable order from an authorized supervisor; job related conduct which constitutes a violation of state or federal law; conviction of a felony or an offense involving moral turpitude that is detrimental to or impacts the employee's service to CFPUA. This is considered unacceptable personal conduct for which any level of discipline, including dismissal, may be imposed without warning.

Section 2. Disciplinary Action

It is CFPUA's intent to assist and promote improved performance, rather than to punish the employee. Disciplinary actions administered under this Section are intended to bring about a permanent improvement in job performance and covers all types of unsatisfactory performance. Disciplinary actions should be progressive and requires the employee received at least a written warning and a final written warning prior to a recommendation to dismiss. The performance related deficiency for each successive disciplinary action does not require the same basis, but can be for either unsatisfactory job performance or personal conduct.

Should the required improvement later deteriorate, or other inadequacies occur, the supervisor may deal with this new unsatisfactory performance with further disciplinary action. The imposition of any disciplinary action shall comply with the procedural requirements of this Section for equity and consistency during the disciplinary process with all employees.

Either grossly inefficient job performance or unacceptable personal conduct may constitute just cause for immediate dismissal. The categories are not mutually exclusive, as certain actions by employees may fall into both categories, depending upon the facts of each case. No disciplinary action shall be invalid solely because the disciplinary action is labeled incorrectly.

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

All employees, regardless of occupation, position, or profession may be warned, demoted, suspended or dismissed by the department director or the Executive Director. The degree and type of action taken shall be based upon the sound and considered judgment of the department director or the Executive Director.

When cause exists, the disciplinary actions provided for under this Article are:

- A. **Verbal Counseling/Oral Warning(s)** may or may not be documented with department discretion, but must provide the employee with the basis for the counseling or warning and the performance expectation to resolve the issue.
- B. **Written warning(s)** informs the employee in writing for the specific issues(s). The warning should include the specific improvements to address the issue and the time frame allowed for correcting the issue. One or multiple written warnings may be issued to an employee for similar or different issues prior to a final written warning. The warning should inform the employee of the consequences for failure to make the required improves could lead to further discipline or dismissal.

Written warnings do not require, but may include a performance improvement plan (PIP) that are at least 60 days in duration and designed to assist the employee in attaining acceptable job performance. The employee must be notified in writing of the successful completion of the PIP. A PIP may be extended up to a maximum of 120 days. The supervisor must periodically meet with the employee during the PIP to provide feedback on improvements.

- C. **Final written warning** informs the employee in writing of the specific issue(s) and the improvements to address this issue. The warning should inform the employee of the consequences for failure to make the required improvements/corrections may lead to disciplinary suspension, demotion or dismissal. The employee may be placed on a PIP.
- D. **Disciplinary suspension without pay** informs the employee that they are being suspended without pay for disciplinary purposes for unsatisfactory job performance after the receipt of prior disciplinary actions or for causes relating to any form of unacceptable personal conduct or grossly inefficient job performance. An employee who has been suspended without pay must be provided a written statement setting forth the specific acts or omissions that are the reasons for the suspension and the employee's appeal rights.

An employee that is suspended without pay for disciplinary purposes may be placed on disciplinary probation for a period not to exceed six (6) months. Under disciplinary probation, the employee may be dismissed for any form of unacceptable job performance, grossly inefficient job performance or unacceptable personal conduct. Employees working under disciplinary probation are subject to the procedural requirements of Article VII-Disciplinary Actions and maintain appeals rights.

- E. **Demotion** is a disciplinary measure for either unsatisfactory or grossly inefficient job performance after at least one prior written warning or unacceptable personal conduct without a prior discipline action. An employee who is demoted shall receive written notification of the specific reasons for demotion as well as applicable appeal rights. Demotions may be made to a lower pay grade with or without a reduction in salary or retain the same pay grade with a reduction in salary.
- F. **Dismissal** is the final disciplinary measure. To be dismissed for a current incident of unsatisfactory job performance or personal conduct, an employee must first receive at least two (2) prior written disciplinary actions including a final written warning unless it falls within gross job performance or gross personal conduct.

Prior to being dismissed, the department director or his/her designee must conduct a pre-disciplinary conference to review the recommendation for demotion/ dismissal with the affected employee and to listen to and to consider any information put forth by the employee to ensure that the decision is sound and not based on misinformation or mistake.

Section 3. Procedural Requirements

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

Department directors, in conjunction with the Human Resources Director, are also responsible for ensuring that discipline is applied on a consistent basis in accordance with CFPUA policy. Department directors/supervisors are responsible to address immediately and resolve as quickly as possible, situations in which employees perform or behave in a manner inconsistent with CFPUA's job expectations, known work rules, and employment policies. For all disciplinary actions, the employee must have the opportunity to respond to the concerns or issue being set forth by the supervisor. The department director and supervisors are responsible for ensuring timely and thorough documentation of all disciplinary actions. Copies of all completed actions should be forwarded to Human Resources for inclusion in the employee's employment file.

Initial Meeting: The supervisor should conduct an initial meeting focused on making the employee aware of the issue(s), of the performance expectations and to identify what corrective action the employee must take and give the employee the opportunity to respond to the issue(s). The supervisor is not required to document this meeting (oral/verbal counseling or warning).

Fact Finding: Prior to taking any formal written disciplinary action, the supervisor shall conduct a fact-finding inquiry to gather any pertinent details regarding the situation. The employee should have an opportunity to respond to the issues prior to discipline. The supervisor will then discuss the facts of the case with the department director. The department director shall then discuss the facts of the case with the Human Resources Director to determine what, if any, disciplinary actions are deemed appropriate based on the information gathered during the fact-finding inquiry.

Written Warning with or without a PIP: If problems of unsatisfactory conduct and/or job performance continue, the supervisor may issue a written warning. Unless the discipline is for gross inefficiency job performance or misconduct, the employee should be given the opportunity to improve performance through multiple written warnings. The written warning can include a Performance Improvement Plan (PIP), which outlines a method to help improve conduct or less than acceptable performance and provides special direction intended to help an employee achieve and sustain satisfactory conduct and/or performance. A PIP is normally for a sixty (60) day period and must state the process and timetable that will be used to determine conduct and/or performance have improved. PIPs must be signed by the employee, supervisor and/or department director, dated and a copy be given to the employee and a copy filed with Human Resources. If the employee successfully fulfills the conditions of the PIP, the supervisor will submit written documentation to the department director and the Human Resources Director.

Suspension: An employee that is suspended without pay for disciplinary purposes when returned to work, may be placed on disciplinary probation for a period not to exceed six (6) months. Under disciplinary probation, the employee may be dismissed for any form of unacceptable job performance, grossly inefficient job performance or unacceptable personal conduct.

Pre-Disciplinary Conference: Prior to considering a recommendation for a demotion or dismissal of an employee, the department director or his/her designee, must discuss the possible discipline with the Human Resources Director. If the Human Resources Director concurs with the proposed discipline, the department director will conduct a pre-disciplinary conference with the employee. Advance oral or written notice of the pre-disciplinary conference must be given to the employee indicating the time, location, and the specific reasons for which the possible demotion/dismissal discipline is being considered.

The department director conducts a pre-disciplinary conference with the employee, limiting attendance to the employee, the employee's supervisor, and the Human Resources Director. The purpose of the pre-disciplinary conference is to review the recommendation for demotion/ dismissal with the affected employee and to listen to and to consider any information put forth by the employee to ensure that the decision is sound and not based on misinformation or mistake.

The employee shall have an opportunity to respond to the proposed dismissal action and to offer information or arguments in support of the employee's position. The employee may present witnesses that can offer relevant information. No attorneys representing either side may attend the conference. Security personnel may be present when, in the discretion of the person conducting the conference, a need for security exists.

Dismissal or Demotion: Following the conference, the department director or his/her designee, shall review and

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

consider the response of the employee and reach a decision on the proposed recommendation. If the recommendation is to dismiss the employee, the department director or his/her designee shall notify the Human Resources Director, who in turn will consult with legal counsel if necessary. If the Human Resources Director concurs with the recommendation, the department director or his/her designee will be authorized to issue to the employee a written letter of dismissal containing the specific reasons for dismissal, the effective date of the dismissal and the employee's appeal rights. The notification shall be issued to the employee in person or by certified mail, return receipt requested, to the last known address of the employee. To minimize the risk of dismissal upon erroneous information, and to allow time following the conference for management to review all necessary information, the decision to dismiss should not be made prior to the beginning of the next business day following the conclusion of the pre-disciplinary conference.

The effective date of a dismissal/ demotion shall be determined by the department director and the effective date of the dismissal shall not be earlier than the letter of dismissal. The employee shall be given a copy of appeal rights with the dismissal notice.

Section 4. Documentation of Disciplinary Action

All documentation of disciplinary actions should be forwarded to the Human Resources Director. Documentation of disciplinary action related to conduct, performance, or safety will remain active for 12 months from the date of the action. Inactive disciplinary action documentation will not be removed from the personnel file, but cannot be the basis for further disciplinary action.

Section 5: Special Provisions

Investigative Status: Investigation status is used to remove an employee temporarily from work status. Placement on investigation with pay does not constitute a disciplinary action. The Executive Director or his/her designee must notify an employee in writing of the reasons for investigatory placement no later than the second scheduled workday after the beginning of the placement. An investigatory placement with pay may last no longer than 30 calendar days without written notice of extension. When an extension beyond the 30-day period is required, the Executive Director or his/her designee must advise the employee in writing of the extension, the length of the extension, and the specific reasons for the extension. After the 30 -day period and no further extension has been imposed, CFPUA must either take appropriate disciplinary action based on the investigation findings or return the employee to active work status.

It is permissible to place an employee in investigation status with pay only under the following circumstances: to investigate allegations of performance or conduct deficiencies that would constitute just cause for disciplinary action; to provide time within which to schedule and conduct a pre-disciplinary conference; or to avoid disruption of the workplace and/or to protect the safety of persons or property. Under no circumstances is it permissible to use placement on investigation status for delaying an administrative decision on an employee's work status pending the resolution of a civil or criminal court matter involving the employee.

Credentials: By statute, and rule, some duties assigned to positions may be performed only by persons who are duly licensed, registered, or certified as required by the relevant provision. All such requirements and restrictions are specified in the statement of essential qualifications or recruitment standards for job classifications established by CFPUA.

Employees in such classifications are responsible for obtaining and maintaining current, valid credentials as required by law. Failure to obtain or maintain the legally required credentials constitutes a basis for immediate dismissal without warning, consistent with dismissal for unacceptable personal conduct or grossly inefficient job performance.

Falsification of employment credentials or other documentation used for securing employment constitutes just cause for disciplinary action including termination. When credential or work history falsification is discovered after

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

employment with CFPUA, and the employee was selected for a position based upon falsified work experience, education, registration, licensure, or certification information, the employee will be terminated without warning, consistent with dismissal for unacceptable personal conduct or grossly inefficient job performance.

ARTICLE VIII - SEPARATION FROM EMPLOYMENT

Section 1. Types of Separation

Separation from CFPUA service occurs when the employee leaves the payroll for reasons listed below.

Resignation: A minimum of a two (2) week written notice is expected of all resigning employees. Such notice should be given to the employee's immediate supervisor, to be forwarded to the department director. In the case of department directors, the resignation should be given to the Executive Director.

Voluntary Resignation without Notice: An employee who is absent from work and has been instructed verbally or in writing of a specific manner of reporting by management, and does not contact the employer for three (3) consecutive scheduled workdays may be separated from employment as a voluntary resignation. Termination pursuant to this policy should not occur until the employing department has undertaken reasonable efforts to establish that the employee was able to give or have someone else give notice during the period of days in question.

Separation Due to Unavailability: An employee may be separated on unavailability when the employee becomes or remains unavailable for work after all applicable leave credits have been exhausted and CFPUA does not grant or extend a leave without pay. At least two weeks prior to separation, CFPUA will notify the employee in writing of the proposed separation, the efforts taken to avoid separation, and why the efforts were unsuccessful. The employee may propose an alternative arrangement for CFPUA's consideration at least one week before the separation goes into effect. CFPUA may, at its sole discretion, agree to any suggested alternative arrangement or terminate the employee.

Retirement: An employee may retire when he or she is eligible and applies for retirement benefits from the North Carolina Local Government Employees Retirement System.

Reduction-in-Force: An employee may be reduced in force and separated from CFPUA service for reasons of a shortage of funds or work, elimination of a position, reorganization, or other changes in duties. Retention of employees in classes affected shall be based on systematic consideration of job performance, type of employment, and length of service. Employees who are separated from CFPUA because of a reduction-in-force will be given at least two (2) weeks written notice of the anticipated separation. No regular employee will be separated while there are temporary, probationary, or trainee employees serving in the same job class at CFPUA, unless the regular employee is not willing to transfer to the position held by such employees, or the regular employee does not have the knowledge, credentials or skills required to perform the work of the alternate position, or cannot obtain the knowledge, credentials or skills within a reasonable period of orientation and training.

Dismissal: Dismissal is an involuntary separation for cause in accordance with Article VII (Disciplinary Actions). Employees who are involuntarily terminated will be paid through their termination date, unless they are in an unpaid suspension status.

Death: Payment for unpaid salary and reimbursement for travel or other CFPUA expenses will be made, upon establishment of a valid claim, to the estate of the deceased employee and submitted to the administrator or executor.

Separation due to unavailability or dismissal may be grieved or appealed in accordance with the Grievance Process (See Article IX – Grievance Process).

ARTICLE IX. GRIEVANCE PROCESS

Section 1. Policy and Purpose

It is the policy of the Cape Fear Public Utility Authority to provide a process to discuss and resolve problems and differences that may arise between employees and supervisors. Every employee has the right to present grievances in accordance with this policy, free from interference, coercion, restraint, discrimination or reprisal.

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

All supervisors are responsible for promptly considering and taking fair and appropriate action on a grievance brought by any CFPUA employee. In adopting this policy, CFPUA sets forth the following objectives:

- Provide employees with a procedure to address problems or complaints promptly, fairly and without fear of reprisal.
- Encourage employees to express their opinions about conditions of employment that affect them as employees.
- Develop a better understanding of policies, practices and procedures and promote their consistent application throughout CFPUA.
- Give supervisors a greater sense of responsibility in their dealings with employees.

Section 2. Definition

A grievance may involve alleged safety or health hazards; unsatisfactory physical facilities, surroundings, materials or equipment; unfair or discriminatory supervisory or disciplinary practices, misapplication of department work rules, or any other grievance relating to conditions of employment. Employees must use CFPUA's standard grievance form which can be obtained from their supervisor, or found on-line on the shared drive.

Certain management decisions are not able to be grieved. These decisions involve management discretion and are therefore not subject to the grievance process. Examples of management decisions that are not subject to this grievance process are as follows:

- A. Any condition of employment accepted at the time of employment and/or subsequent change(s) thereto.
- B. Determining the employee benefit package.
- C. Determining the proper classification and rate of pay.
- D. Determining types of training.
- E. Scheduling and distribution of personnel.
- F. Oral or written warnings.
- G. Determining methods, means, and personnel to carry out operations.

- I. Placement on investigation status (paid).
- J. Decisions that maintain the effectiveness and efficiency of CFPUA's operations.
- K. Performance reviews.
- L. FLSA determination.
- M. At-will status.

While employees cannot bring grievances on the foregoing items, they are encouraged to express any concerns that they have concerning actions taken in these areas to their supervisor.

Section 3. Procedure

Unless specifically provided for in another part of this Employee Personnel Policies and Procedures Manual, this grievance procedure will be used for any complaints or disputes arising from these policies. When an employee has a claim or complaint concerning employment with CFPUA, the successive steps described below are to be taken toward resolution of the matter.

The number of days indicated at each step of the grievance procedure should be considered as the maximum number of working days allowed for presentation of and response to the grievance at that level. However, when mutually agreed upon, time limits given below may be extended by those concerned. Failure on the part of the employee to satisfy the time limitations provided in this Article shall cause the grievance to be denied or dismissed.

Employees who use this procedure will be free from discrimination, coercion, restraint or reprisal.

Employees may file grievances or appeal decisions using the procedures listed below.

Effective Date: April 11, 2018

Last Revision Date: March 21, 2018

Formal Grievance: CFPUA employees who are subject to demotion, suspension, or dismissed, other than for a reduction in force, shall have 3 working days from the date of receipt of written notice of such action to file an appeal of the department director's decision with the Executive Director. CFPUA employees who are subject/alleges discriminatory actions shall have 15 calendar days from the date of occurrence to file a grievance. The department director shall have 10 working days to respond to the grievance. If the employee is not satisfied with the department director's final decision or is unable to obtain a final decision within a reasonable length of time, he/she may file their written grievance with the Executive Director not later than thirty (30) days after receipt of the department director's final decision.
